Marcos Páez Calderón

Web Developer

Address	Street Numancia 6, 3D - Valladolid (Spain), 47005
Phone	+34 622785059
E-mail	marcos.paez.calderon@gmail.com

Passionate about programming in general, specially web programming. Motivated to learn new technologies and widen my knowledge, and grow up as a developer.

Skills

JavaScript, HTML5, CSS	■■■■■
PHP, MySQL, APIs, Postman	■■■■□
Angular, TypeScript, Symfony, Node	■■■□□

Work experience

05-2019 – Current

WEB DEVELOPER

GMV, Boecillo Technology Park

Development of 2 web tools. First one built with PHP, JS, CSS, MySQL and Docker, using techniques like AJAX, and WebServices/REST API.
The second one built with Symfony 3 mainly.

Promoted to project manager on August 2019 for both tools.

03-2019 – 05-2019

INTERNSHIP

GMV, Boecillo Technology Park

I developed a mobile web application of an internal tool, using the main one as reference.

Education

09-2017 – 06-2019

Higher Degree of Development Applications, Management

IES Ribera de Castilla (Valladolid)

Honors on my final project: MoonArt, social network for artists to share their art. Built with Angular 7 and Symfony 4 for the REST API.
